The Company also announces that Robert McLeod will be transitioning from the role of CEO to Lead Director of the company to focus on his role as CEO of IDM Mining Ltd. as

IDM moves through permitting and construction of its high grade gold development asset in British Columbia. Executive Chairman Gianni Kovacevic will take over the position of CEO with Mr McLeod continuing as an important member of CopperBank's distinguished group of non-Executive technical advisors.

Mr Kovacevic comments, "Rob and I have worked very closely together other the past few years and I am thankful for the continuity he provides with our asset portfolio. He has a great mind for geology and corporate strategy and will continue to be a valuable asset for all of our stakeholders as CopperBank's lead director and ongoing Qualified Person under National Instrument 43-101 rules."

On behalf of CopperBank Resources Corp.

"Gianni Kovacevic"

**Executive Chairman**
