

Hi Ho Silver Resources Inc.

Hi Ho Silver Resources Announces Board Appointments, Receiving Rights To Additional Fast Road Territory, And Rejection Of A Financing Proposal To AM Gold

September 9, 2016 . Hi Ho Silver Resources Inc., (Hi Ho, or the Company) (CSE symbol HHS, OTC symbol HHSRF, Stuttgart symbol H9T) wishes to announce the appointment of Hal Neff as President and Director of the Company, effective August 4, 2016. Mr Neff has had a long career as an entrepreneur in the retail gold business, and in business consulting following an initial start working underground in the nickel mines of Inco in Thompson, Manitoba, Canada.

Mr Dennis McKnight has assumed the position of Chairman of the Board, and Chief Executive Officer.

The Company wishes to report that it has obtained additional marketing rights to the Provinces of British Columbia, and Saskatchewan, Canada, and to the country of Ghana, West Africa for the application of Fast Road Build technology. Fast Road Build is an economical and rapid method of hard surfacing roads using whatever substrate is present in the road site right of way.

The Company recently proposed a \$2.4 million financing to AM Gold Inc. as an alternative proposal to AM Gold being taken private. The proposal was not considered to be a Superior Proposal to the going-private transaction presented to and approved by AM Gold's shareholders, and thus received no further consideration by AM Gold.

Hi Ho continues to seek other mining and investment opportunities as they become available in a changing mining and exploration atmosphere.

About the Company

Hi Ho Silver Resources Inc. is a Vancouver based mineral exploration company dedicated to the exploration and development of precious and base-metal mineral deposits in North America and elsewhere.

On Behalf of the Board of Directors,

Dennis H. McKnight President & CEO
